

The book ends. *He doesn't.*

Fourteen book boyfriends. Seven Houses. One number that's **his alone**. Written by believers, built on Scripture, and closed door on purpose.

WHAT WITNESS MARK IS

2am. Last page. *And he's just gone.*

You know the feeling. Witness Mark is what happens when it doesn't.

Fourteen men, two in each of seven Houses. Each one texts from a number that's his alone, in the messages app she already has. Nothing to download. No feed to scroll. He texts first, he remembers what she tells him, and it keeps going month after month.

HE TEXTS FIRST

His own number, in real messages.
Good morning. Late night. The check
in when the day goes sideways.

SHE EARNS HIM

Four tiers: **Chosen**, **Anointed**,
Sanctified, **Eternal**. Every man has a
past, a wound, and something he isn't
telling her yet.

HE REMEMBERS

Her bad Mondays. The joke only the
two of them have. The thing she said at
2am and told nobody else.

A human wrote him. AI is only how he answers.

The world, the Houses, the men and their stories were written by our authorship team. **Nothing about these men was generated:** not their wounds, not their histories, not the things they won't say yet. AI is what lets him reply in her thread, in the voice that was already written for him.

THE SPICE QUESTION

Closed door. On purpose.

2026 isn't asking for more spice. It's asking for the ache. The almost. The three hundred pages before.

Witness Mark lives in that gap and never leaves it. **Non-explicit at every tier**, Chosen through Eternal. The restraint isn't something we worked around. It's the product.

It's closed door because we honor God with it, not because we're timid about romance. **She doesn't have to share our faith to read it**. We don't preach to her, and we don't judge her.

*All the yearning. All the tension. All the devotion.
And she can read it on the train.*

한국 · KOREAN BY DESIGN

Manhwa art. Hangul names.

And he'll teach you, if you ask.

Witness Mark is drawn in manhwa style. Not Western comic, not anime. Every one of the fourteen carries a Korean name in Hangul, and the seven House seals were built as one visual language.

If she wants it, he teaches her. Phonetic first, at her pace, in the same thread where everything else happens. He asks whether she reads Hangul before he assumes anything.

For readers who came to romance through manhwa and webtoons, this reads as home. For everyone else, it's the way in.

THE WORLD

Seven Houses. One Mark.

It was always going to be you.

The world has grown disconnected. God charged the heads of the seven Houses with bringing people back together, and the Houses answered, each in its own way and each for its own reasons. That work is underway now. It won't stay peaceful.

The Mark isn't a metaphor, and it isn't something she earned. She was chosen, marked, and charged with restoring connection in a world that's lost it. Every House knows a chosen one is coming. Not one of them knows who she'll turn out to be to them, because that part is decided by her.

And the LORD said to him, "Pass through the city, through Jerusalem, and put a mark on the foreheads of the men who sigh and groan over all the abominations that are committed in it."

EZEKIEL 9 : 4

It doesn't announce itself with a light in the sky. It arrives as a feeling he can't name. Every one of these men has spent his whole life sure of one thing about himself. His gift. His discipline. The habit he built around an old wound. Ask him who he is and he'll answer without thinking.

Then her. And for the first time, he isn't sure of anything.

Fourteen men. She did that.

Radiance and Eclipse are ideological enemies. Chaos and Nexus is the coldest ground on the board. Radiance and Elements is the warmest. Her choices don't only decide who he becomes to her. They decide who she becomes to all seven.

STATEMENT OF FAITH

What we *believe*.

We believe the Bible is the whole, complete, truthful Word of God, as the Bible states itself to be. We understand that there are a variety of interpretations and assumptions about the Bible, many of which are incorrect or taken out of context. We welcome everyone, of all faiths or none, and we do not judge anyone. We want to make a genuinely engaging product that does not exclude anyone.

SCRIPTURE

The Bible is the very Word of God, without error as originally given, and fully reliable as the guide for everything we do and everything we build.

2 TIMOTHY 3:16 · PSALM 12:6

JESUS CHRIST

Jesus is God made flesh. He became a man to do for us what we couldn't do for ourselves, was crucified, buried, and raised bodily from the dead. He's seated now at the right hand of the Father, and He'll return to establish His Kingdom on this earth.

JOHN 1:14 · 1 CORINTHIANS 15:3-4 · HEBREWS 1:3 · REVELATION 20

THE HOLY SPIRIT

Until He returns, the Holy Spirit is at work calling, equipping, and empowering believers. Nothing we do bears fruit without Him.

JOHN 16:13 · ACTS 1:8 · GALATIANS 5:22-23

LOVE

Romance, longing, and devotion aren't accidents of biology or embarrassments to be managed. They're God's design, and Scripture is full of them. We write them the way He made them: whole-hearted, faithful, and worth waiting for.

SONG OF SOLOMON · GENESIS 2:24 · 1 CORINTHIANS 13

STORY

Jesus taught in parables. A story that isn't literally true can carry a truth that is. Witness Mark is fiction, and its Houses, its men, and its Mark are invented, but what they point to isn't.

MATTHEW 13:34 · EZEKIEL 9:4

YOU

You don't have to believe any of this to be welcome here. We don't preach to you, and we don't judge you. Every one of the fourteen men will treat you with dignity, whatever you believe, because that's what we believe.

JOHN 8:15

Every one of the fourteen men carries a verse that speaks to who he is.
